

# **KUA O KA LĀ**

**REOPENING PLAN  
SY 2020 - 2021**

Aloha Kua O Ka Lā 'Ohana,

We hope this message finds you and your 'Ohana happy, healthy and safe. We would like to welcome you and your child to an exciting year of learning. We've been looking forward to students returning to school so we can: see their smiling faces, hear their laughter again and help students navigate their academic challenges successfully.

No doubt these times we are living in will test how we all think and move to action. Although COVID related events have been challenging, let's all of us together persevere – "E ho'omau kākou! We've all been through difficult times in life and have found ways to persevere. Let's remember to be an encouragement to each other as our staff carefully considers all of the learning options, moving through this year safely.

Our Vision and Mission statements will continue to help keep us grounded, guiding our thoughts and plans for our future together.

Vision: "Help students to thrive on Ke Ala Pono – the right path." Our staff is committed to helping each of our students discover who they are, identifying their gifts, and providing learning opportunities that help students find their unique path.

Mission: "Provide Hawaiian culturally-driven, including values-based and place-based, educational experiences through pilina 'āina, pilina kānaka, and pilina 'uhane." Our staff is also committed to finding ways to effectively integrate Hawaiian Culture throughout all the content areas. Our values also get reinforced throughout the day:

Aloha kekahi i kekahi – have love and respect for one another

Malama I kou kuleana – take care of your responsibilities

Kokua aku, Kokua Mai – give help and you shall receive help

Mahalo I ka mea loa'a – be thankful for all that we have

Kulia I ka Nu'u – strive to do our very best

We know we have a limited time together and we all commit to optimizing student learning by making efficient use of our time. In order to help your son/daughter achieve their highest potential, it is critical that we connect with students and with each of you parents. Partnering with each of you regularly increases the likelihood that your child will be successful.

In the preliminary plans that were sent home, we informed you that Kumu would be in touch soon, setting up parent/teacher conferences the week of August 12 – 14. It will be crucial that you and your child attend this meeting as it will contain a lot of important information. You will be informed of your child's cohort assignment during this meeting. Also, due to COVID/Safety reasons, we will not be able to open our campus to parents/guardians, or anyone from outside our staff, to go to spaces where students learn. Ideally, at some point in the near future, we will be able to return to inviting parents and community members onto campus.

We look forward to working with you and your child in the upcoming year.

With Aloha,

Kapoula Thompson

Po'okumu/Principal - Kua O Ka Lā

# REOPENING PLAN

LEVEL	NORMAL	RECOVERY	ACT WITH CARE	SAFER AT HOME	STAY AT HOME
<b>RISK FACTORS</b>	No Disruptions	Minimal Disruptions	Minor Disruptions	Moderate Disruptions	Major Disruptions

<b>VISITORS</b>	No restrictions on visitors	Limit on-campus visitors	No on-campus visitors	No on-campus visitors	No on-campus visitors

# HEALTH PROTOCOLS

## Daily Campus Sanitation

The campus, classrooms, and offices will be cleaned and disinfected on a routine and frequent basis. Surfaces touched by multiple people will be cleaned and disinfected at least daily to reduce the exposure to COVID-19.

## Hygiene & Health

Frequent hand-washing will be encouraged. Additional hand washing stations will be available. Hand sanitizer stations will be available around campus. If a student shows COVID-19 symptoms, they will be sent to a designated quarantine area for pick-up within the hour. Department of Health guidelines will be followed for cleaning and sanitation. Any student sent home due to illness should be excluded from school until symptom-free for at least 24 hours without the use of medication.

## Social distancing

Classroom spaces will be configured to allow 6 feet of distance. Occupancy will be capped according to room configuration. Recess and lunch times will be staggered to limit the mixing of students. At this time, we will be restricting visitors to the school environment.

## Face Coverings

Masks or shields of appropriate size shall be properly worn to fully cover the mouth and nose, at all times. Teachers may allow students to remove their masks when academically appropriate or when students are eating; however, a six foot physical distance must be maintained during that time.

\*YOU WILL BE INFORMED OF YOUR CHILD'S COHORT ASSIGNMENT DURING YOUR 'OHANA MEETING

### SCHOOL HOURS

MONDAY, TUESDAY, THURSDAY, FRIDAY: 7:45AM- 2:00PM  
 WEDNESDAYS: 7:45AM-12:15PM

# FREQUENTLY ASKED QUESTIONS

## **When/how will we receive devices for at home learning?**

Students in grades 3-6 will receive their Chromebooks on their first “Face-to-face” day.

Students in Kindergarten-2nd grade will start off with learning packets and receive an iPad in the near future.

## **How many hours are students required to engage in distance learning on their “at home” days?**

This will depend on your child’s individual teacher and grade level. When your child comes to school, one of our main priorities will be to help your child understand what distance learning will look like. Your child’s kumu will go over expectations, routines, and a system that will help your child to be successful while learning at home. Your child’s kumu will also communicate with you, via ClassDojo or Google Classroom, the work that will need to be completed while at home.

## **When will we be notified of our child’s cohort assignment?**

Your child’s kumu will notify you of your child’s cohort assignment during your meet & greet appointment.

## **At home learning for our ‘ohana/my child is not ideal. Can our keiki come to school every day?**

We understand that the blended learning model is not ideal for all families. Unfortunately, with our numbers and the size of our classrooms, it is not possible for us to have all students on campus while still maintaining a 6 foot distance.

## **Will my child have to wear a mask at school?**

Yes. Masks or shields of appropriate size shall be properly worn to fully cover the mouth and nose, at all times. Teachers may allow students to remove their masks when academically appropriate or when students are eating; however, a six foot physical distance must be maintained during that time.

Parents/guardians are responsible for providing a clean mask daily. We will have disposable masks available for students who don’t bring their own.

## **Will there be any field trips this school year?**

Unfortunately, for safety reasons, there will not be any field trips this school year.

## **What is the procedure/policy for sick children?**

All parents/guardians should conduct a wellness check on their child each morning using the following symptom checklist:

- Feverish or unusually warm (has flushed cheeks)
- Coughing/sneezing
- Sore throat
- Shortness of breath/difficulty breathing
- Headache/stomach ache/nausea
- Muscle pain/unusual fatigue
- New loss of taste or smell

If any of these symptoms are present, your child should not attend school.

Upon arrival, members will interview and visually inspect all individuals (from at least 6 feet away) using the symptom checklist above.

If a student shows any of these symptoms throughout the school day, they will be sent to a designated quarantine area for pick-up within the hour. Department of Health guidelines will be followed for cleaning and sanitation. Any student sent home due to illness should be excluded from school until symptom-free for at least 24 hours without the use of medication.

## **Will there be a COVID 19 testing regimen for staff?**

All staff will be screened using the same symptom checklist above. If any of the above symptoms are present, the staff member will be sent home and will not return to school until symptom-free for at least 24 hours without the use of medication.

## **Will I be allowed to volunteer in my child's classroom?**

Sorry, at this time we are not able to invite visitors onto our campus.
